📍 Auckland Park, Johannesburg,  
South Africa

I, Mpho Hlungwane am a third-year architecture student at UJ's FADA, interested in South African urbanism, theory and mixed-use design. I work across several studio projects, using Revit, Archicad and Autocad. I enjoy designing with Johannesburg's urban fabric in mind.

### SKILLS

- Revit
- AutoCad
- ArchiCad
- Photoshop
- Affinity
- Canva
